CONSOLIDATION RULING OF DIRECTOR

In the matter of Virginia State University
Ruling Numbers 2008-1943, 2008-1944, 2008-1945
February 27, 2008

Virginia State University (VSU or the agency) has asked that the grievant's December 13, 2007, December 18, 2007, and December 28, 2007¹ grievances be consolidated for hearing. For the reasons discussed below, this Department finds that consolidation of these grievances into a single hearing is appropriate and practicable.

FACTS

The grievant was employed by the agency as a Police Patrol Sergeant. The grievant asserts that on December 5, 2007, he received a "Notification of [A]dministrative [A]ction" advising him that he was being reassigned to an "unclear" administrative assignment. On December 13, 2007, the grievant initiated a grievance challenging this alleged agency action. The grievant further asserts that he subsequently received a Group II Written Notice, with a demotion, on December 15, 2007. The grievant initiated a grievance challenging this disciplinary action on December 18, 2007. The grievant states that he received a second "Notification of Administrative Action" on December 23, 2007, and that his department badge and weapon were taken from him in conjunction with this notification. He initiated a third grievance, challenging the December 23rd action, on December 28, 2007.

After the parties failed to resolve the grievances during the management resolution steps, the agency head qualified the grievances for hearing. The agency has asked that the three grievances be consolidated for a single hearing. By letter dated February 6, 2008, this Department advised the parties that it had received the agency's request and asked for any additional information from the parties. The grievant has not objected to the agency's request and has not provided any additional information.

DISCUSSION

Approval by the Director of this Department or her designee in the form of a compliance ruling is required before two or more grievances may be consolidated in a single hearing.

¹ The grievant apparently submitted his initial grievance on the "wrong form" on December 28, 2007. He subsequently re-submitted his grievance on January 4, 2008.

Moreover, EDR may consolidate grievances for hearing without a request from either party.² EDR strongly favors consolidation and will consolidate grievances when they involve the same parties, legal issues, policies, and/or factual background, unless there is a persuasive reason to process the grievances individually.³

This Department finds that consolidation of the grievant's three grievances is appropriate. The grievances concern the discipline of the grievant and possibly share common themes and claims. Moreover, we find that consolidation is not impracticable in this instance.

This Department's rulings on compliance are final and nonappealable.⁴
